

Dental Waiver

All animals (in particular older ones) can have unknown underlying health issues and there are always risks involved while working with animals as they can be unpredictable.

----- Dental will take every precaution when handling your pet to do our very best to keep them safe while they are in our care. Your pets' well being is extremely important to us.

I acknowledge that there are inherent risks to my pet in the performance of these services, including, but not limited to cuts, abrasions, infections, allergic reactions, muscle sprains or strains, or adverse reactions due to stress or undiagnosed health/dental issues.

I understand and acknowledge that the ----- Dental are not veterinarians and will not perform any veterinary medicine. I understand that sedation free cleanings are a hygienic service and not meant to replace visits to a veterinarian or any veterinary dental service of any kind.

I understand that any information provided by ----- Dental should be provided to my vet for follow up inspection. Without advising my veterinarian about performing this dental cleaning,

I understand that it may make it more difficult for them to recognize areas of concern in my dogs' mouth. I have been informed that my dog could potentially have dental issues that should be seen by a veterinarian. I have been informed that a sedation free cleaning may not be sufficient for my dog to maintain their oral health. I understand that there are limitations to sedation free cleanings, including the lack of any diagnosis or treatment. I have chosen to continue with a sedation free cleaning, which may leave underlying dental issues unresolved.

I agree that the services provided by ----- Dental are provided solely at my risk, and hereby waive and release ----- Dental, its directors, officers, employees, shareholders, volunteers, representatives, agents and the host business and its employees and representatives (the "Released Parties") and indemnify and hold the Released Parties harmless from and against any and all liabilities, claims, demands, causes of action, judgments, costs or expenses

(including legal expenses) which ----- Dental or the Released Parties may suffer, sustain or incur as a result of any act or omission of any nature or kind whatsoever arising out of, or in the course of the performance of the Services.

LATE DROP OFF & PICK UP

Due to the nature of our appointments, late drop off is very difficult to accommodate. It is understood that if I am more than 10 minutes late for my appointment without notice I will need to reschedule, and my deposit will not be refundable. I am also aware that if I am more than 10 minutes late to pick up my dog, without notice a \$50+gst late fee will be added to my bill. Due to Covid-19, and the importance of social distancing we will not be flexible on these policies.
